TASTER SESSIONS / WORKSHOPS / SUMMER PROGRAMMES / TALKS & PRESENTATIONS

## ABOUT US

Afriquetone Limited provides and runs interactive African drumming workshops for schools, youth groups and clubs, community and private events.

## FOR SCHOOLS WE OFFER:

### Taster sessions:

Ideal for giving pupils a quick experience in African drumming workshops and its benefits.

### Half-day workshops:

Lasting for only 3 hours, our half day workshops enables schools to involve more children in the workshops without totally disrupting daily activities.

### Whole day workshops:

This option runs for the entire day and allows schools to give more kids the opportunity to participate and experience African drumming.

### Summer programmes:

We offer a creative activity to positively engage school kids and keep them busy during the summer holidays. These could be one-day or event or may run through an entire week.

### Train the trainer sessions:

Workshops for training sessions that teach school teachers the basics of hand drumming and how to run drumming workshops themselves.

### Talks and presentations:

Informative and interactive talks on the issue of RACE, and presentations on the African Continent.

### Drum tuition:

Procurement & Supply of African Instruments to Schools

### Drumming clubs:

Drumming clubs are regular workshop sessions that run in schools during term time. They offer interactive activities that encourage effective contribution and promote global awareness.
